Living With Natural Elements Of Mother Nature

tatva
Heritage

Tatva Heritage Mahad is an 50 acres of nature friendly, river touch, lifestyle proposed project coming up near the fastest growing city of MAHAD. Tatva Heritage is an small world in itself on the bank of Savitri river with stay adorned nature's bounty. Tatva Heritage is tastefully designed as Resort cum N.A plots project with recreation areas, beautification, well planned infrastructure & amenities. Beauty of the project leaves the beholder speechless.....

Mahad is one such creation in the lap of Konkan, which is rich in flora n fauna with clear & beautiful streams, cascading waterfalls with spectacular & stunning scenery all along the Konkan side, by the beautiful Arabian Sea. This economically growing City is an potential tourist place because of its historical, Mythological and Social importance.

Tatva Heritage is one such discovery, where you would fall in love with nature.

tatva Heritage = Minimum Investment – No Risk + Maximum Returns.
